Dear Friends,

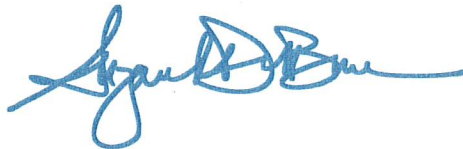

It is my pleasure to send my greetings to all attending the 10th Annual Ananda Mela – Joyful Festival of India. This is sure to be a wonderful and fulfilling weekend!

Ananda Mela is the largest celebration of Indian culture in the Pacific Northwest. This jubilant event allows our community to experience the richness of India through its culinary, artistic, and cultural significances. The festival also highlights the many positive impacts that Indian-Americans have made and continue to make in Washington's First Congressional District and across the country.

I would also like to thank the Vedic Cultural Center for hosting the festival this year. Without them, our entire community would be missing out on a chance to recognize and celebrate the cultural diversity within our state; a diversity which makes us all stronger and improves our lives every day.

Please accept my best wishes and have fun, at what will surely be a memorable event.

Regards,

Suzan DelBene
Member of Congress
